Hello Fellow Board Members -

TOMORROW evening - 24 August @7:30pm is our Board Meeting

Attached are the minutes from our July Board Meeting which we will approve

The rest of the time - and rational to have another Board Meeting, is to let the Legislative Committee work DIRECTLY WITH YOU COMMITTEE CHAIRS to finish up Legislative Package details for each of the respective committees.

Again this year, the Sept Board and Membership meetings have been flipped, so that the Board can finalize the "legislative pkge draft" for presentation the following week to the Membership for approval...but we need committee representation tomorrow night for ensure a smooth writing of it.

Thank you and look forward to seeing you tomorrow evening.
Tim
